PLEASE READ THIS LICENSE CAREFULLY BEFORE OPENING THIS PACKAGE. BY OPENING THIS PACKAGE, YOU AGREE TO BECOME BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT OPEN THIS PACKAGE AND PROMPTLY RETURN IT UNOPENED TO THE PLACE WHERE YOU OBTAINED IT FOR A FULL REFUND.

The enclosed computer program(s) ("Software") is licensed, not sold, to you by Claris Ireland ("Claris") for use only under the terms of this License, and Claris reserves any rights not expressly granted to you. You own the disk(s) on which the Software is recorded or fixed, but Claris and its licensors retain ownership of the Software itself.

1. **License.** This License allows you to:

- (a) Use one copy of the Software on a single computer at a time. To "use" the Software means that the Software is either loaded in the temporary memory (i.e., RAM) of a computer or installed on the permanent memory of a computer (i.e., hard disk, CD ROM, etc.). You may install the Software on a common storage device which is accessible by multiple computers, provided that if more computers have access to the common storage device than the number of licensed copies of the Software, you must have some software mechanism which locks-out any concurrent users in excess of the number of licensed copies of the Software (an additional license is not needed for the one copy of Software installed on the common storage device accessed by multiple computers).
- (b) Make one copy of the Software in machine readable form solely for backup purposes. Additionally, only so long as the Software is installed only on the permanent memory of a single desktop computer which is not accessible by multiple computers and that single desktop computer is used by one user for at least 80% of the time the computer is in use, that same user may also make a copy of the Software to use on a portable or home computer which is primarily used by such user. As an express condition of this License, you must reproduce on each copy any copyright notice or other proprietary notice that is on the original copy supplied by Claris.
- (c) Permanently transfer all your rights under this License to another party by providing to such party all copies of the Software licensed under this License together with a copy of this License and the accompanying written materials, provided that the other party reads and agrees to accept the terms and conditions of this License.

2. **Restrictions.** The Software contains trade secrets in its human perceivable form and, to protect them, you may not REVERSE ENGINEER, DECOMPILE, DISASSEMBLE OR OTHERWISE REDUCE THE SOFTWARE TO ANY HUMAN PERCEIVABLE FORM. YOU MAY NOT MODIFY, ADAPT, TRANSLATE, RENT, LEASE, LOAN OR CREATE DERIVATIVE WORKS BASED UPON THE SOFTWARE OR ANY PART THEREOF.

3. **Dual Media.** If this package contains both 3.5 inch and 5.25 inch disks, then you may use only the disks appropriate for your single computer or common storage device. You may not use the other disks on another computer or common storage device, nor may you rent, lease, loan or transfer them to another user except as part of a transfer as expressly permitted by this License.

4. **Termination.** This License is effective until terminated. This License will terminate immediately without notice from Claris or judicial resolution if you fail to comply with any provision of this License. Upon such termination you must destroy the Software, all accompanying written materials and all copies thereof, and Sections 6, 7, 8 and 9 will survive any termination.

5. **Export Law Assurances.** You agree that neither the Software nor any direct product thereof is being or will be shipped, transferred or re-exported, directly or indirectly, into any country prohibited by the United States Export Administration Act and the regulations thereunder or will be used for any purpose prohibited by the Act.

6. **Limited Warranty.** Claris warrants for a period of ninety (90) days from your date of purchase that (i) the disk(s) on which the Software is recorded will be free from defects in materials and workmanship under normal use, and (ii) the Software as provided by Claris will substantially conform to Claris' published specifications for the Software. Claris' entire liability and your sole and exclusive remedy for any breach of the foregoing limited warranty will be, at Claris' option, replacement of the disk(s), refund of the purchase price or repair or replacement of the Software.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY PROVIDED BY CLARIS AND CLARIS AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE AND ACCOMPANYING WRITTEN MATERIALS, BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

7. **Disclaimer of Warranty.** Notwithstanding Section 6, the following provisions will apply only if the Software is licensed for use in Australia. Provided always that nothing in this Agreement shall exclude, restrict or modify any condition, warranty, right or liability arising under the Australian Trade Practices Act 1974 and similar Australian, Commonwealth, State and Territory laws and as otherwise permitted by law where to do so is illegal or would render any provision of this Agreement void, all warranties, conditions and liability of any kind imposed by statute or by rule of law with regard to the Software, including, without limitation, any implied warranty or condition of merchantability or fitness for a particular purpose are hereby excluded and Claris shall have no liability or responsibility to Licensee or any other person or entity with respect to any liability, loss or damage caused directly or indirectly by the Software including, but not limited to, any interruption of service, loss of business or anticipatory profits or consequential damages resulting from the use or operation of the Software, and Claris shall not be liable for negligence, for loss of profits or any indirect, special, or consequential damages. Claris does not warrant that the functions contained in the Software will meet Licensee's requirements or that the operation of the Software will be uninterrupted or error free or that defects in the Software will be corrected. Insofar as liability under or pursuant to any legislation whether Australian, State, Territory or Commonwealth may not be excluded, such liability is limited to, at Claris' option, the replacement of the Software or the supply of equivalent goods or payment of the cost of replacing the good.

8. **Limitation of Remedies and Damages.** In no event will Claris, its parent or subsidiaries or any of the licensors, directors, officers, employees or affiliates of any of the foregoing be liable to you for any consequential, incidental, indirect or special damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information and the like), whether foreseeable or unforeseeable, arising out of the use of or inability to use the Software or accompanying written materials, regardless of the basis of the claim and even if Claris or a Claris representative has been advised of the possibility of such damage. Claris' liability to you for direct damages for any cause whatsoever, and regardless of the form of the action, will be limited to the greater of \$500 or the money paid for the Software that caused the damages.

THIS LIMITATION WILL NOT APPLY IN CASE OF PERSONAL INJURY ONLY WHERE AND TO THE EXTENT THAT APPLICABLE LAW REQUIRES SUCH LIABILITY. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

9. **General.** This License will be construed under the laws of the State of California, except for that body of law dealing with conflicts of law. If any provision of this License shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this License will remain in full force and effect. If you are a U.S. Government user then the Software is provided with "RESTRICTED RIGHTS" as set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 or subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.277-7013, as applicable. *Manufacturer: Claris Ireland, Ballycoolin Business Park, Blanchardstown, Dublin 15, Ireland.*

Warranty

Upon Registration

Banksia Modem Warranty

Your Banksia Modem is warranted against defects in its manufacture and workmanship for a period of twelve months from the date of original purchase. If a fault or defect is found in this period the product will be replaced, at the sole option of Banksia Technology Pty Limited ("Banksia"), subject to the conditions below.

This warranty will be extended to twenty four months, free of charge, if the warranty form is completed and sent to Banksia within 30 days of purchase.

Warranty Conditions

1. This warranty is personal to the original purchaser and is not transferable.
2. The unit is located in, and used only in, the country of purchase.
3. The cost of transporting the product to and from Banksia Technology is the responsibility of the purchaser.
4. Where the product is returned under this warranty and no fault or defect is found (ie, the product is found to be operating within specifications), Banksia reserves the right to impose a service fee (at ruling rates).

This warranty is automatically voided if:

- a. The modem is used, or attempted to be used, on an incorrect supply voltage or polarity.
- b. The fault or defect is the result of a voltage surge subjected to the modem either by power supply or communication line, whether caused by thunderstorm activity or other cause(s).
- c. The fault is the result of accidental damage or damage in transit, including but not limited to liquid spillage.

- d. The product has been used for any purpose other than that for which it is sold, or in any way other than in strict accordance with the user manual supplied.
- e. The product has been repaired or modified or attempted to be repaired or modified, other than by a qualified person at a service centre authorised by Banksia.
- f. The serial number has been defaced or altered in any way or if the serial number plate has been removed.

Proof of Purchase

Your original cash register docket, invoice or other documentation for your Banksia Modem must be retained as proof of the date of purchase in case of a claim under this warranty.

Limitations of Warranty

The Trade Practices Act 1974 and corresponding State and Territory Fair Trading Acts or legislation of another Government ("the Relevant Acts") in certain circumstances employ mandatory conditions and warranties. To the extent permitted by the Relevant Acts liability in relation to your Banksia product, and any other materials provided with the product ("the Goods") is limited to:

1. replacement of the goods
2. repair of the goods
3. payment of the cost of replacing the Goods; or
4. payment of the cost of having the Goods repaired at the option of Banksia Technology Pty Ltd.

All liability other than that arising under the Relevant Acts, and this Clause is expressly excluded. In particular, Banksia Technology Pty Limited will not be liable for loss, damage or injury of any kind whether direct, indirect, consequential, incidental, or loss of profits arising out of the supply or use of the Goods or from any errors in the Goods.

Read me first

Go over these three important points before running MacComCenter. Place a check in each box as you complete the step.

Fax/Modem Type

Follow the installation instructions in Chapter 1 carefully. In particular, be sure to configure MacComCenter for your type of fax/modem. We recommend you take advantage of MacComCenter's auto detection feature to find the fax/modem type automatically. For questions about the class type of your particular modem please refer to your fax/modem manufacturer's user's guide.

Default Settings

MacComCenter is designed to let you start sending and receiving faxes and uploading and downloading files immediately upon installation on your system. Before you begin, it is recommended that you review the MacComCenter settings and compare these settings with your fax/modem manufacturer's default specifications. Verify that the modem settings are correct for your particular fax/modem requirements. A few minutes of your time will ensure that you get the most out of MacComCenter.

Keyboard Shortcuts

The MacComCenter User's Guide uses certain conventions that describe specific keyboard shortcuts. A keyboard shortcut is a single keystroke or a combination of keystrokes that execute a command. For example, the keyboard shortcut, **⌘-N**, provides the same result as choosing **New...**, located under the **File Menu**.

IMPORTANT

Please read before opening

Carefully read your software License Agreements inside the manuals before breaking open this envelope.

By opening this sealed disk envelope you indicate your acceptance of the License Agreements.
