**RECREATION SERIES: GAMES CARTRIDGES (CONT.)**

<b>120605</b>	<b>RADAR RAT RACE</b> Three rats are chasing your mouse as it runs through the maze hunting cheeses. Confuse the rats with your "scent" trail, but beware of sleeping cats. Joystick or keyboard.	<b>\$ 40.00</b>
<b>120606</b>	<b>CLOWNS</b> Move your see-saw under the jumping clowns. You can hurl your acrobatic playmates into the sky to catch balloons for you, but it's up to you to save them when they come down again. Requires paddles.	<b>\$ 40.00</b>
<b>120609</b>	<b>VISIBLE SOLAR SYSTEM</b> Teaches your children about the size and distances of the different planets in our solar system. It's almost a mini Planetarium.	<b>\$ 40.00</b>
<b>120610</b>	<b>TOOTH INVADERS</b> More than just a game, this recreational program reinforces the message on dental hygiene. Can your children drive away the dreaded "PLAQUE-man"? Requires joystick.	<b>\$ 40.00</b>
<b>120613</b>	<b>LAZARIAN</b> A fast-paced action "Shoot-Em-Up" where the attacking waves of spaceships and aliens "dive bomb" your defenses. Move, shoot and stay alert... Or die in the attempt. Requires joystick.	<b>\$ 40.00</b>
<b>120614</b>	<b>OMEGA RACE</b> Not a contest of speed but a fight for survival against the attacking race of Omegans. Rotate your space fighter and blast away before they get you. Use joystick, paddles or keyboard.	<b>\$ 40.00</b>
<b>120615</b>	<b>WIZARD OF WOR</b> Move about in the mysterious maze of Wor "zapping" the meanies with your laser before they can get you. An unusual combination of a maze game with a "shoot-em-up" game. (Nope, it's not a spelling mistake.)	<b>\$ 40.00</b>
<b>120616</b>	<b>LE MANS</b> A game of Grand Prix motor racing at the famous French circuit. The aim is to pass as many of the other cars as you can; but of course they'll try to block you!	<b>\$ 40.00</b>
<b>120617</b>	<b>PINBALL SPECTACULAR</b> All the fun of a pinball palace without the constant drain on your pocketful of 20-cent coins. With "flippers", noises and flashing lights. Requires paddles.	<b>\$ 40.00</b>
<b>120618</b>	<b>GORF</b> The smash hit arcade game. Includes 4 different games, multiple levels of difficulty and some of the best cartoon graphics ever devised for video games. Keyboard or joystick.	<b>\$ 40.00</b>
<b>120621</b>	<b>AVENGER</b> It's an invasion of space intruders, and you are there to "avenge" the earth. This is the classic arcade game for video games enthusiasts. Keyboard or joystick.	<b>\$ 40.00</b>
<b>120622</b>	<b>SUPER SMASH</b> This is a fast-action Tennis game for two players. Just the thing for those rainy days when the court is wet. Though it won't help you burn off many calories. Requires paddles.	<b>\$ 40.00</b>

**GAMES ACCESSORIES**

<b>101311</b>	<b>JOYSTICK</b> (Gives movement in 4 directions and includes a "fire" button) - each	<b>\$ 12.00</b>
<b>101312</b>	<b>PADDLES</b> (Gives movement in 2 directions only, but can be used by 2 players simultaneously) - per pair	<b>\$ 19.00</b>

----------	-------------	-----------------------

**MUSIC SERIES**

<b>120401</b>	<b>META MUSIC</b> A music tutorial that allows the novice, as well as the serious composer to create music on the Commodore 64. An ideal music teaching aid.	<b>T.B.A.</b>
<b>120402</b>	<b>MUSIC MACHINE</b> Use the sound capabilities of the C64 and turn the computer's keyboard into a musical one. Create special effects, percussion, octaves & pitches.	<b>\$ 40.00</b>
<b>120403</b>	<b>MUSIC COMPOSER</b> Compose a song, play a song, save and playback your compositions on your Commodore Datasette recorder (optional). Choose your favourite musical sound.	<b>\$ 40.00</b>

**RECREATION SERIES: GAMES ON CASSETTE TAPE**

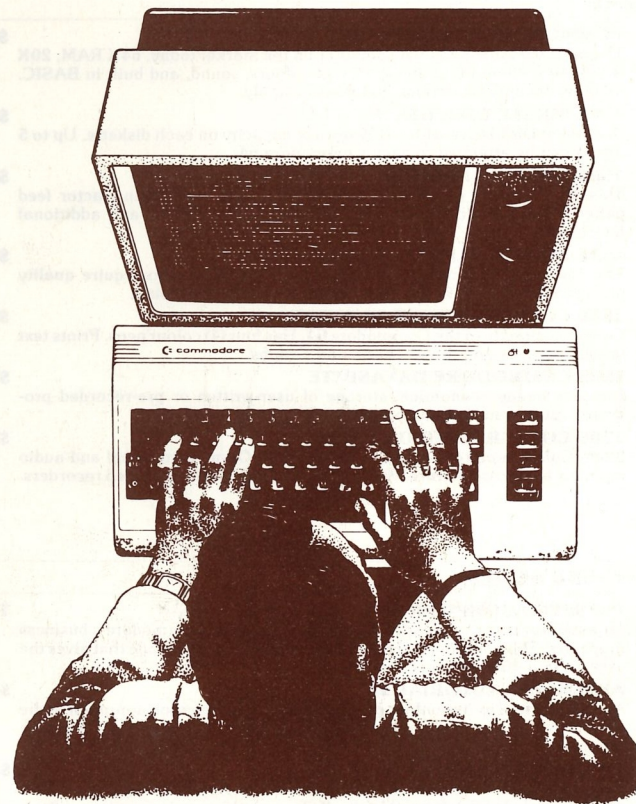

<b>120302</b>	<b>STELLAR WARS</b> Defend yourself from the squadron of attacking fighters. Shoot them all down to become an Ace Spaceman.	<b>\$ 12.00</b>
<b>120303</b>	<b>SOOPER FROOT</b> A colourful poker machine (fruit machine) game with advanced screen features including HOLD, NUDGE and RESPIN.	<b>\$ 12.00</b>
<b>120304</b>	<b>LABYRINTH</b> Let your '64 design a maze for you. After a brief look at a "map" of the maze, then try to find your way around the "inside".	<b>\$ 12.00</b>
<b>120300</b>	<b>SPIRATES AND SNOWMEN</b> Competive educational games for two children. "Spirates" uses multiplication, "Snowmen" uses Addition & Subtraction.	<b>\$ 12.00</b>
<b>120301</b>	<b>DEPTH CHARGE</b> Defend your five battleships from killer submarines and their mines. Defend yourself with depth charges - or go to Davy Jones' Locker.	<b>\$ 12.00</b>
