

Equipment Warranty

Cumana Warrants for a period of 12 months from the date of purchase that the equipment shall be free of defects in materials, workmanship and operating failure, from normal intended use. **Cumana** will, at its option, repair or replace defective equipment at its factory free of charge during the Warranty period. Purchaser shall be responsible for transportation charges of the equipment to and from Cumana's factory. This Warranty is contingent upon proper use of the equipment, and does not apply to damage caused by misuse or negligence. This Warranty is in lieu of any other Warranty expressed or implied and is in lieu of all obligations or liabilities for damages in connection with fitness of equipment for a particular purpose, interruption of business, and loss of use, revenue or profit. In no event will **Cumana** be liable for special, incidental or consequential damages.

The above Warranty applies subject to the following conditions:

1. That the purchaser (and dealer when the unit is purchased through a dealer) complete the Warranty Card and mail to Cumana on the date of sale.
2. That the purchaser pre-pays postal and/or transport charges to the Cumana factory when equipment is submitted for Warranty Service. Equipment is returned free of charge if fault is found at time of inspection. If no fault is found customer is expected to pay transport charges.
3. That purchaser packages equipment in its original carton or functional equivalent to eliminate postal and/or transport damage when returning equipment for Warranty service.
4. That the purchaser briefly describes the symptoms associated with the equipment failure in writing and submits it to **Cumana**, together with the defective equipment.

This Warranty is in addition to and does not in any way affect or reduce the statutory and legal rights of the customer.
