Have Quiz, Will Travel

Are you tired of taking science exams and math tests? Now, it's your turn to give quizzes about subjects you're interested in.

After you've made "Rusty Rayburn's Great Detective Quiz," on the Make Your Own Quiz feature, try these quiz ideas:

School Pals Quiz — See how well your friends know each other. Write questions like "My friend Eddie's favorite sport is football. True or False?"

The Great Sci-Fi Movie Quiz — Find out if your friends are too "down-to-earth." Stump them with questions like: "What were E.T.'s first words?" and "What planet is Superman from?"

The Horse Quiz — Find out how much your friends really know about horses. Ask questions like: "What breed of horse was Man O' War?" and "A 'bit' is a type of horse shoe. True or False?"

The Video Game Quiz — Your friends may score two million points at their favorite game, but find out how well they know "ancient" history with questions like: "What was the world's first video game?" and "How many points do you need to get an extra man in 'Disk Muncher'?"

The Microzine Quiz — Surprise your fellow *Microzine* users with the toughest test of all! Ask questions like: "In which *Twist*-*aventure* was Anwee the villain?" and "Barnacus is the fifth planet in the Folderol galaxy. True or False?"
