Söftdisk

Personal Productivity Software for the Apple II® user
For the Apple II+, IIc, IIe, IIGS, and Laser 128 computers

64K Required.

► Every month **Softdisk** brings you two diskettes filled with carefully selected quality software to help you get more value from your personal computer. Each issue contains an impressive variety of fun, useful, and interesting new things to do with your computer. The friendly interactive **Softdisk** format makes it a snap for everyone in the family to run programs quickly and easily.

► *Here's what they're saying...*

"It's for sure you've helped me get my $$$ out of my computer. **Softdisk** forever!..."   **—N.J., Kansas**

"I am definitely interested in extending my subscription, for the rest of my life, I guess..."   **—R.J., Colorado**
"In a world where real bargains are hard to find **Softdisk** is a very pleasant surprise..." **—*Electronic Learning***

"**Softdisk** contains impressive variety, quality, menu interface, and special programs worth the cost of the whole product."   **—*InCider Magazine***

In This Issue...Two 5¼" diskettes featuring these programs*:

CRIBBAGE COMPANION
by Peter Rokitski

Learn the age-old card and peg board game from an opponent that's tough to beat—your Apple II.

PRINT SHOP® FONT AND IMAGES
by David Waff and Clarence A. Bisson

Enjoy an assortment of 28 new images from such diverse areas as transportation, Indians, and audio, plus a mini-Gothic font.
CRYPTO-MAKER
by Les Blatt

Solve the encrypted puzzles, or create your own with this program's puzzle-maker feature.

ALFREDO'S STUPENDOUS SURPRISE
by Tom Hall and John Romero

Can our favorite computer anti-hero survive his latest bout against insurmountable obstacles?

HOOK
by Bill Tudor

Eliminate unnecessary, time-consuming disk accesses by disconnecting your disk drives via software.
HAPPY JACKET
by Eddy Marsall

Design, print, cut, and fold to produce sharp-looking custom disk sleeves.

THE CROSSWORD MACHINE
Puzzle by Peter Rokitski

Just *try* to solve this monumental 121-square word-puzzler!

PLUS

► **Last Things**—Information about **Softdisk**, software submissions, a report card form, and more!

► **Bulletin Board**—Answers from **Professor Know-It-All**, letters from readers, gaming hints, and more!

LAB ASSISTANT
by Jim Weiler

If only high school chemistry had been this easy! Learn about the atomic mass, electron structure, and many other details of over a hundred chemical elements. Great for reference, for quizzes, or just for fun!

BALANCE SHEETS
by Jeff Gouge

Small business users will smile when they see this AppleWorks® Balance Sheet template. Just plug in your figures and you're ready to go!

PRINT SHOP® GRAPHICS
by Mark Gutis

Make your print work reach for the sky! A tip of the hat to the inspiring guardians of the atmosphere! Print Shop creations returns with more of the popular naval aviation insignias.
Requires Print Shop

TIME TUNNELS
by Paul Coletta

Improve your hand/eye coordination! A great arcade game that is fun and very addicting. Travel through space and time on an incredible journey to days gone by, and days to come!

CELL BLOCK #5
by Douglas M. Smith

The world's greatest AppleWorks spreadsheet wizard is back. Here's a useful tutorial that's easy-to-learn, easy-to-use!
Requires AppleWorks 2.0 or above

PROPOWER
by Bill Tudor

Another fabulous utility that lets you send formatted TXT, AWP, BAS, and BIN files to your screen or printer from BASIC.

CROSSWORD MACHINE II
by Peter Rokitski

Solve puzzles faster than Pat and Vanna! Three electronic challenges that bring new meaning to the word "scrambled." Cruciverbalists everywhere will be inspired by these all-original brain busters.

— PLUS —

▶ **Bulletin Board**—Professor Know-It-All is at it again! Readers write to Softdisk and Gaming Forum columns.

▶ **Last Things**—Useful information about Softdisk and a report card for grading our work. We need your thoughts to improve future issues!
